

Preliminary Information

HEXAGONAL HIGH POWER LED H11A1 -Series

- Designed for continuous current of 350mA
- beam angle: 30°, 60° or 120° are possible
- Silicone lens, ageing proof to UV radiation
- chip size 1 x 1mm
- 20mm diameter aluminium groundplate

Mechanical Dimensions:

Unit: mm[inch]
Tolerance: ± 0.1 [0.004]
